I am decidedly opposed to the postponement of the Consideration of this Bill which has been received upon by Government after a great deal of Thought & discussion. It is impossible to adjust their territorial divisions to satisfy every one & to meet every objection. The measure arrived at must be such as will combine the maximum of convenience

Secretary's remarks on Kolar Dist Bd (Communication letter No: 4944 d/ 15-6-9) (Govt No: 8642/1132 R. 5855)

Submitted to Hon'ble Commissioner.

This transfer may perhaps be desirable but please See Serial No 24 in the file putup. It shows that the Hqrs of these Villages were not anxious for a transfer to Chikballapur in the event of the reconstitution of the Srinivaspur Taluk - other similar requests as regards transfer and retransfer may naturally be expected for some time to come. The present application may be filed for reference in case any opportunity.

Transfer Kaivara Hobli from Chintamani to place of Adagal remaining

Mulbagal Tk.

Leave the rest of Yeddaravalli Hobli (5 Villages) as a Hobli — with added greater Revenue & Population

The Revenue Boundary runs as follows

Starting from the Tri-junction of the Kolar Chintamani & Mulbagal Taluks, the boundary runs Eastwards along the Kolar Chintamani Taluk boundary upto the Tri-junction of the Kolar Mulbagal & Bangarpet Taluks

and 2 Villages taken away from Bangarpet Taluk may therefore remain as a Taluk.

Kolar Taluk.

What remains of Balaghat (22 villages) to be distributed among the adjoining Taluks of that Taluk - Now is the distribution to be made?

Submitted —

The Balaghat Hobli consists of 45 villages - of which 23 go to Srinivaspur - The remaining 22 are proposed to be distributed as follows: —

16 to Kolar
5 to Kasba Kolar
& 1 to Bugatur.

22

The Yeldur Hobli consists of 56 villages - It was first proposed to transfer 24 of these to Srinivaspur - the Revenue of the two portions being as stated below.

24 Villages -	Total area 1642 acres	Assessment 4673	Population according to 1901 census 12.719
32 "	1737 "	not given	15702 according to latest statistics.

The Deputy Commissioner now proposes to transfer

two more villages viz, Arikere & Sethapur (Siddapur in the map). to Srinivaspur. This will leave 30 villages in the Mulbagal Taluk. They are to form a new Hobli with Head Quarters at Eltur.

Thus the new Srinivaspur Taluk would consist of —

	Hobli	Villages
1.	Kasba Srinivaspur	63
2	Somayajapalli	66
3	Nelavanki —	55
4	Rayalpad —	40

Subject to Orders.

In the Office Endorsement No. 3491 (Serial No. 43) Petitioners were told that their request for the retention of the Villages referred to in the Schedule could not be complied with, as the transfer of the Kayeera Lands to the Nyasaland Native Land Trust had been effected after mature consideration.

The Petitioners however say that the Villages in question are at a distance of 4½ miles from Sakalagalla and 13½ miles from Nyasaland and that therefore it will be very hard upon them if the Villages are not retransferred to Sakalagalla to which they were attached from the time of Arab Occupation.

In another case reported upon by the Commissioner of the Nyasa District in Serial No. 47 A, the Secretary was pleased to observe that those similar requests as regards transfers and retransfers might naturally be expected

for sometime to come and that the application might be noted for needful action at any subsequent opportunity. The Commissioner (49) has accordingly been requested to report whether the Villages therein referred to form a compact Municipality.

Orders are now respectfully solicited as to whether the petitions in question may be forwarded to the Commissioner for opinion with a similar report.

he was consulted in the matter, States that it is desirable to transfer the 3 villages to the Duggavandra Hobli of the Mullagiri Taluk as they are nearer to it being connected by a Local Fund Road, that for Police purposes they are even now treated as part of the said Taluk, & that of the 3 villages, Anjigandlahalli is one Shanbogi charge & the other two form another Shanbogi charge, & that these two Shanbogies have no other villages in the Sriniwaspur Taluk. The Supdt of Kaveripuram has no objection to the proposed transfer of the villages. But attention is respectfully invited to, Govt's letter No. 781/165 & 19th May 1892 in which he stated that the villages agreed to be disposed before the Conference by Amildar to the effect that in case of Sriniwaspur being constituted into a Taluk, the transfer of the villages to the Mullagiri Taluk was not necessary.

Jodi Sigalpalya ~~Should~~

which is shown ~~but it is omitted~~ in the map as Sligalpaliya and wrongly omitted from the Srinivaspur Taluk. The Dy Comm^r further suggests that the marginally noted 16 villages of the Mungamala hobli of the Chintamani Taluk may be transferred to the Srinivaspur Taluk as shown in the margin, as they were formerly included in the Kasba hobli of that Taluk before its abolition in 1883. The villagers also are stated to be in favour of this transfer. The Dy Comm^r states that the above arrangement will not render the transfer of the villages of Kappalli and Rappalli to the Chintamani Taluk. The suggestion of the Survey Supdt of the Survey agrees with the D. Comm^r, as this arrangement will give a more regular boundary than the present one. The Dy Comm^r endorses the suggestion of the Survey Supdt. for the transfer of the Kaveripalla

(*) hobli of the Srinivaspur Taluk which the Survey Supdt proposed to be transferred to the Chintamani Taluk.

A perusal of the Chintamani Taluk map will make this explanation more clear. The villages proposed to be transferred to the Kasba hobli of the Srinivaspur Taluk, we have to include Gosthi village of Sligalpaliya & not Jodi village as stated in the Dy Comm^r's

Vanigampur (with its majrá Kaiyara hobli of the Arsikere) from Chintamani Taluk to Jangamkote hobli of the Siddlaghatta Taluk.

(iv) - In addition to the transfer of villages above referred to, one Lakshmisagara, brother of Ramappa, Shanbagru of Vanigamahalli, Mulbagal Taluk, prays for the transfer of that village to the Srinivasapur Taluk, on the ground that his former part of the one Shanbogru's charge, a portion of which (Kaikere + Seshapura) has been transferred to the Srinivasapur Taluk, & that it is inconvenient for one Shanbogru to serve in two Taluks at the same time. Survey Supt's opinion -	Remarks —
Has no objection —	The Ryots and village officers and Servants pray for the transfer on the ground that the villages are nearer to the Mulbagal Taluk than to the Srinivaspur Taluk being at a distance of 11 miles from the former & 14 miles from the latter. The 1st village forms one Shanbog's charge and the other two another Shanbog's charge. These Shanbogs have no other villages in the Srinivaspur Taluk — The Villagers say that these 3 villages formerly formed part of the Mulbagal Taluk. Vide letter from the Asst Supt - S. 45 - put up.
Has no objection —	The whole of the Kaivara Kobli was lately transferred from the Siddaghatta to the Chintamani Taluk. The Ryots village Officers & Servants request the re-transfer of the 3 villages to the Siddaghatta Kaivara Kobli of the Siddaghatta Taluk on the ground that they are nearer to the latter than to the former Taluk being situated at a distance of 3½ miles from the former & 4½ miles from the latter. The 3 villages form one compact Shanbog's charge —
The Survey Supt is also of the same opinion -	This transfer was first proposed by the Survey Supt. who now says that the transfer is not necessary for reasons given in No (ii) - But the villages may be conveniently transferred from the Somayajanapalle Hobli to the Melavanki Hobli and Yadagur palle to the Somayajanapalle Hobli & Kasba Hobli.
The Survey Supt has no objection -	The Dy Commr states that these villages were formerly included in the Kommer Kobli of the Srinivaspur Taluk before its abolition in 1883. The villagers also are for the transfer. The Survey Supt states that the transfer will make the new Taluk of Srinivaspur four more regular & compact than at present. The maps shows that these 3 villages may be retained as they are.
Proposed by the Survey Supt -	As regards the transfer of these villages in addition to Arakere & Sebapur already

10 From careful enquiries made I have no doubt in saying that the public demand for the formation of the Talook chiefly emanated from the Patels and Kanchhagos who found it a great inconvenience to carry the amount which they collected all the way to Chittamany and from the delay in the disposal of work in the Talooka owing to the limited establishment sanctioned for it. The work is a great deal too much for the Establishments

I therefore strongly believe that any
measure which will mitigate this in

but the Amildar recommends that along with the aforesaid 21 villages the marginally noted 4 villages may also be given away to Srinivaspur as the Shanbhagues of the latter have charge of some of the former villages. If this proposal is sanctioned to which I see no objection, the transfer will leave 22 villages in the Kalasamudram Hobli to be distributed between the adjoining Hobles of the Kolar Taluk.

2. The Amildar of Chikballapur Taluk reports that the portion comprising 32 villages of the Yelahanka Hobli left in his Taluk after the transfer of 24 villages therefrom to Srinivaspur is by itself sufficient for a Shanbhag's charge and that the same cannot conveniently be added on to the adjoining Bagepalli Hobli which already large in area. The objection seems reasonable considering the figures

figures in the margin and it is worth enquiring whether the north-west portion of Anjaneri may not be transferred to Trimbakgiri and the rest amalgamated with the rest of Yeldari into one Mahal.

3. The proposals contained in the Panchayat's note do not seem to call for any other modifications in the interests of shankhoji charges.

4. It is reported by the Amildar of Sinnar that the Patil of Attur and Gunamchaly villages in the Kyvana Mahal proposed to be transferred to Chintamani Taluka is also the Patil of Navainadevachalli in the Janjamuti Mahal of his Taluk but that the Patgi allowance has been fixed separately for each village. The Patil may, if necessary, be required to nominate a Gumasta for his village in the Janjamuti Mahal.

My dear friend,

Please refer to your Circle report regarding the reconstitution of the Late Sringeri Taluk, and let me have information on the following points at your earliest convenience: —

1) How would you distribute the 22 villages of the Balehonnur Hobli after the rest of the villages thereof are transferred from the Kolar Taluk? Your proposal to distribute them among the adjoining Hoblies of the Kolar Taluk is not sufficiently clear.

2) As regards the 32 villages of the yelavar Hobli which would remain in the Mullbagal Taluk after the transfer of the rest to Sringeri, the proposal before Govt is not sufficiently definite. You seem to propose to entrust the Amildar's Sringeri that these 32 villages are in themselves sufficient for a Shekdar's charge. At the same time

you consider it worth enquiring whether the Duggandra Taluk may not be broken up, a portion being added to Shimoga and the rest to what remains of Nelamangala. Which of these alternatives would you advise first to adopt? To what Taluk of the Shimoga Taluk would you propose the north west portion of Duggasandra to be transferred? By what name would you call the new Taluk, which would consist of a portion of the present Nelamangala alone, if the first alternative is adopted, and of portions of the present Nelamangala and Duggasandra Taluks if the second alternative is approved? Which is to be the Head Quarters of the Taluk to be thus newly constituted.

3) The Situations of the villages of (1) Tailur (2) Vittur, (3) Seegapalli and (4) Mallagondanhalli seem to be such as to make their transfer to the Shimoga Taluk desirable. On this point your opinion is requested.

The matter is pressing and has

(60)

desirable that the Kaiwara Hobli of the Sidlaghatta Taluk should be transferred to the Chintamani Taluk, from which the Addagal Hobli has now been taken away and added on to Srinivaspur. This transfer is ordered accordingly with effect from the same date as that mentioned above.

3. Pending the contemplated re-arrangement of Sheristadar's charges, the 30 villages remaining after the transfer of 26 villages from the Yeldur Hobli will, as proposed, form a separate Hobli in the Mulbagal Taluk to be called the Uttur Hobli with Head Quarters at Uttur.

4. ~~The remaining 22 villages~~ A portion of the Balasamudra Hobli, ~~a portion~~ of which has been transferred to Srinivaspur, ~~should~~ these remain 22 villages which will, as proposed, be distributed

~~between the~~ among the Sngatur, Kolar and Holur Hoblies of the Kolar Taluk as shewn in the margin, the Sheikdar and the peons attached to the present Dalasanur Hobli being transferred to the Hobli of the same name now constituted in the Srinivaspur Taluk.

5. The changes ordered as above will at once be notified in the Gazette for general information.

6. The Dy Commr is requested to submit a proposition Statement shewing the establishment required for the reconstituted Srinivaspur Taluk.

Letter to the Secretary

Superintendent of Srinivaspur Taluk, the villages of Kolapalliparu which the proposal and which are — along, reasons for leaving it in the Superintendent, the other Kolapalli may go to Srinivaspur.

Yes.

Plan for constituting these — separate Hobli with Venkatapur as Head Qrs. This is in accordance with statement given in the meeting of Srinivaspur Taluk. Archeru and Seshapura, two villages out of these 32 belong to one Firka and may be — conveniently transferred to Srinivaspur. The Kasta village is wrongly spelt — Siddapur in Taluk Survey, map of the Taluk and is situated the west of — "Madiyanur" This will then be only 30 villages for this Hobli.

I think this is not advisable. — There is a general dissatisfaction of the villagers of Srinivaspur as Taluk Head Qrs. They prefer Mulbagal as more important for purposes of trade &c.

I have stated my preference for the first alternative in Part 1 of

(2). Part 1.

As regards the 32 villages of the Srinivaspur Taluk which would remain in the Mulbagal Taluk after the transfer of the rest to Srinivaspur the proposal appears not sufficiently definite. I understand it was the intention, since that these 32 villages are in themselves sufficient for a Station Charge.

(2) Part 2.

At the same time I consider it — unadvisable that the Kolapalli Hobli may not be taken up, a portion — lying round on Srinivaspur and the rest to that remains of Kolar. Which of these alternatives would I consider Govt to adopt? To what Hobli of the Srinivaspur Taluk would I propose the

General and Revenue Depart

Sir,

Adverting to your circular No. [illegible] R.T. 91-90. dated 18th ultimo forwarding copy of a letter from the Superintendent Revenue Survey, making certain suggestions as regards the boundary line of the reconstituted Taluk of Srinivaspur, I have the honor to state as follows.

2. The villages of Kapalli and Rajipalli have all along formed part of the Somayajulapalli Hobli of the Srinivaspur Taluk. Rajipalli is a separate Shanbhogi charge and there is no objection to transfer it to the Chintamani Taluk; and the Shanbhog of Rajipalli has another village by name Sachmapalli in the Somayajulapalli Hobli, hence the former cannot conveniently be added on to the Chintamani Taluk. Lodi Rajipalli referred to is not in the Srinivaspur Taluk but is in the Muragamala Hobli of the Chintamani Taluk and it may be left as it is. There is a Lodi village called Rajipalli in the Somaya-

Jalapalli

Kanniyagaudaghalli Taluk is omitted in the map as Singalpalya and it is wrongly omitted from the Srinivaspur Taluk.

3. The village of Kayampalla Karivanhur with its Kaya Shapur Colly transferred to the Chintamani Taluk may remain in the Sidlaghatta Taluk, but in the latter case the village may be added on to the Jangamkote Taluk of the said Taluk

4. In connection with the above proposal I may add that the marginally noted 16 villages of the Nirugamala Taluk may conveniently be transferred to the new Srinivaspur Taluk. By this arrangement the boundary line of the Srinivaspur Taluk will be kept clear and continuous. These villages are far more near to Srinivaspur than to Chintamani. They were formerly included in the Kolar Taluk of the Srinivaspur Taluk. Upon the abolition in 1871 when they were added on to the Nirugamala Taluk of the Chintamani Taluk. Then Assistant Tadigal on 18th June last, a large body of the people of these villages waited upon me and through their representatives the inconvenience of having

Chinnasamy as the Taluk Kacheri and Anjeri for the transfer to the new Taluk. The members of Chinnasamy and Sriviaypuri who were with me at the time, fully supported this view. Further the measure will involve no disturbance of Chandubagi charges.

5. Under the circumstances I would recommend that villages nos. 1 & 2 including Sri Sigaviahpura proposed to be retained in the Chinnasamy Taluk may be transferred to the Kacheri Field of the Srinivaypuri Taluk and that villages nos. 3 to 13 to the Nallamachi Taluk of the same Taluk.

6. If this proposal be approved there is no necessity to transfer the villages of Kapipalli and Kapipalli adhoni to Sriviaypuri, to the Chinnasamy Taluk, as their positions will not affect the continuous boundary of the new Taluk.

7. A statement showing the Revenue, population &c of the 13 villages proposed to be transferred to Srinivaypuri Taluk is herein enclosed together with the maps received with your Kacheri under reply.

8. In conclusion I beg to add that I have called

minor son Krishnappa who is now the registered Shanbhog of the villages held by his late father. The petitioner's brother Ramappa who is also the brother of the deceased Venkatramiah is looking after the duties of all the 3 villages and references.

This office is not aware how those village which belonged to two different Shabbhogs came to be formed into one charge at the Survey Settlement. The arrangement was probably due to their being in charge of one gumasta at the time but the point has to be cleared by a reference to the Survey Superintendent.

Anikere and Seshapur have been transferred from Mulbagal to the new Srinivaspur Taluk and the Petitioner wishes that Vanigenahalli should also be transferred to the latter Taluk.

The transfer proposed by the petitioner would be locally inconvenient as it would leave Vanigenahalli within the limits of and in the midst of other villages belonging to the Mulbagal Taluk.

I would therefore recommend the village

Correspondence ending with docket No. 349—85, dated 23rd July 1897, from the Deputy Commissioner, Kolar district, stating that the villages of Rajagundlahalli, Matakannasandra and Channaiyagaripalli now attached to the Somayajalupalli hobli of the newly constituted Srinivaspur taluk, may, as prayed for by the raiyats and village officers concerned, be transferred to the Duggasandra hobli of the Mulbagal taluk, as the shanbhogs' charges will not be affected thereby.

2. Letter No. 350—86, dated 23rd July 1897, from the same Officer, stating that there is no objection to the re-transfer to the Sidlaghatta taluk of the villages of Kannamangala, Muttukadahalli and Chintudapi which form one compact shanbhog's charge in the Kaiwara hobli lately transferred to the Chintamani taluk.

3. Correspondence ending with letter No. 306—66, dated 18th July 1897, from the same Officer, suggesting that, in order to render the boundary of the new taluk of Srinivaspur more regular than at present, the first nine of the marginally noted sixteen villages in the Murgamala hobli of the Chintamani taluk, be transferred to the Kasba hobli, and the last seven to the Nelavanki hobli of the Srinivaspur taluk, as the villages formerly belonged to that taluk before its abolition in 1883; and stating that kayamgutta Kariyanpur with its *majre* Upaspur attached to the Kaiwara hobli of the Chintamani taluk, may, as proposed by the Superintendent of Revenue Survey, be transferred to the Jangamkote hobli of the Sidlaghatta taluk.

No. 3384-5—R. F. 91-95-96, DATED, BANGALORE, 4TH OCTOBER 1897.

ORDER THEREON.—On a careful consideration of the representations made by the raiyats and village officers and supported both by the Deputy Commissioner and the Superintendent of Revenue Survey, Government are pleased to sanction the transfers of villages as mentioned in the above, with the observation that Shigalpalya proposed to be transferred from Murgamala hobli of the Chintamani taluk to the Kasba hobli of the Srinivaspur taluk, appears from the map to be a Sarkar village and not a jodi village, as mentioned by the Deputy Commissioner. The jodi village of Shigalpalya or Sigepalli, which is already in the Somayajalupalli hobli of the Srinivaspur taluk, remains unaltered. The following Notification indicating the transfers of villages now sanctioned will be published in the *Gazette* :—

petition of Ramappa Shanbogue of

as follows:—

2. The 3 Villages of Vanigankaik
Archere and Bishapur were entered by
the Revenue authorities when the
Potgi settlement was being carried out
as belonging to me "Sirk" and they
were

were made into one charge. I am at a loss to understand the Deputy Commissioner's statement that these Villages belonged to different Chanbargaes.

3 It is incumbent, therefore, to add the Village of Vangamhatti to the Sennarapatti Taluk. The best plan will be to make Vangamhatti a separate charge. The enclosure is herewith returned.

E.X.2:95-96
that the village of Shigalahalya of Hiriyamala Hobli Chiknayakanhalli Taluk transferred to Kasaba Hobli, Periyapatna Taluk "appears from the map to be a Circar village and not a Jodi village". I have the honor to state that the village is entered in the Survey map of the Chiknayakanhalli Taluk as a Jodi (J) and it has been ascertained from reference to the Amildar of Periyapatna Taak to be a Jodi village. In such cases it is not always the practice to show whether a village is Jodi or not and the information is not given in the Taluk map in question. The necessary correction may be suggested, therefore made in the Proceedings in question.

Read:— Letter No 1013/289 dated 21st September 1897 from the Dy Commr. Kolar District, reporting upon the Petition of Lakshmipathiayya, brother of Ramappa, Shanbogue of Vanigenahalli, Mulbagal Taluk, praying for the transfer of the village to the Srinivaspur Taluk, on the ground that the said village and the villages of Arikere & Seshapur which have been transferred from the Mulbagal to the Srinivaspur Taluk, form one Shanbogue's charge.

Also:— Letter No 2bo dated 27th October 1897 from the Superintendent of Revenue Survey in allyance expressing his opinion on the above subject

No 6316-7. R.F. 91-95 § 15-1-98

Order Hereon:—

The Dy Commr reports that one Soobraiya was the Shanbogue of Vanigenahalli and Venkataramaiya of the

Arkeré and Seelaguru villages,
that the former died without
~~any~~ issue & the latter has
left a minor Son named
Krishna appa who is now
the registered Shanbogue
of the latter two villages,
and that Ramappa, the
brother of the Petitioner as well as of
Venkatramanjya, is looking
after the duties of all the 3 villages.
He further States that it is
not clear how the 3 villages
which belonged to two different
Shanbagues came to be formed
into one charge at the Survey
Settlement, and that the
transfer prayed for by the
Petitioner would be locally
inconvenient, as it would
leave Vanigenhalli within
the limits of, and in the
midst of, other villages belonging
to the Ellubagal Taluk; and
therefore recommends the villages
being constituted into a Separate
charge in the same Taluk,
with a Separate Patgi allowance
fixed therefor.
2. The Supdt of the Survey

States that, at the time of the Potgi Settlement, the 2 villages above referred to were entered by the Revenue authorities as belonging to one Hak, and that therefore they were made into one charge. The Collector, however, suggests that as the transfer of the village to the Srinivaspur Taluk is territorially inconvenient, it may be made a separate charge in the Mulbagal Taluk.

3. In accepting the suggestions of the Dy Commr, and the Supdt of Revenue Survey, Govt are pleased to sanction the constitution of the Vanigankalli village into a separate charge in the Mulbagal Taluk to which it is now attached. The Potgi for the Arkere scale will be revised & that for Vanigankalli prepared separately.

of them is a Jodi village viz
the one near Rayfalli on the
main road from Hoskote

is referred to as Sigifalli or
Sigalfalya in para 2
of the Dy Commr's letter
No 306/66 & 18-7-97. If has

as stated by the Deputy Commr, or a similar village as appears from the said map. A copy of the map is forwarded for information and return with a request that the Dy.
